5TH NOVEMBER 1892, No. 3038 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following paper:—

Proceedings of the Board of Revenue (Land Revenue), dated 23rd September 1892, Forest Mis. No. 1005.

Read—again the following Proceedings of the Board of Revenue (Land Revenue), dated 21st April 1892, Forest Mis. No. 415:—

Read—the following letter from the Conservator of Forests, Southern Circle, dated 11th March 1892, No. 541:—

In continuation of my letter No. 2242 of 23rd November 1891, I have the honour to report that I have not been able to find a building for my office, but, after some trouble, succeeded in obtaining a house for myself, in which I am able at present to find some room for my office also.

The rent I pay is Rs. 95 a month and I enclose a copy of the Executive Engineer's certificate that there is no other building available and that the proportion of rent for the part occupied by my office would be Rs. 40 a month and I have the honour to ask the Board to be good enough to sanction this payment from the 1st December last.

2. I am next-door to the Revenue Settlement officer Mr. C. S. Stuart.

His landlord has built in his compound additional accommodation for his office, charging an increased rent which is paid by the Government, and, if I can get my landlord to do the same for my office, I will submit further proposals.

The present accommodation is not sufficient. The difficulty at present in arranging with my landlord lies in a guarantee that the building will be occupied for some time, as my landlord naturally wishes for some assurance on this point before proceeding to build. This I cannot give him, except as concerns myself so long as I hold this appointment.

3. Perhaps, he may be persuaded to waive this assurance.

In the meantime I request sanction to payment of the share of the house as it stands at present.

Resolution—dated 21st April 1892, Forest Mis. No. 415.

The payment of rent at Rs. 40 per mensem from 1st December 1891 is sanctioned.

2. The Collector of Coimbatore is however requested to report whether a suitable site for the construction of a Government building to accommodate the Conservator's office or possibly the Conservator and the two District Forest officers cannot be found near the other public offices. Forty rupees a month represents the interest on a considerable sum.

(A true Copy and Extract.)

Acting Secretary.

Read—also the following letter from the Collector of Coimbatore, dated 11th July 1892, No. 1615:—

In reply to Board's Proceedings, dated 21st April 1892, Forest Mis. No. 415, I have the honour to state that a site for an office for the Conservator is available in the compound of my cutcherry adjoining the recently built District Forest officer's office.

Resolution—dated 23rd September 1892, Forest Mis. No. 1005.

Submitted to Government for orders.

2. The office of the Conservator of Forests, Southern Circle, is, under recent orders, located at Coimbatore; but there is no suitable Government building available for its accommodation. In his letter, dated 11th March last, No. 541, the Conservator applied for sanction for disbursement of Rs. 40 per mensem as house-rent for a portion of his residence at Coimbatore in which his office is at present accommodated. The Board sanctioned the rent, but called upon the Collector to report whether a suitable site for the construction of a Government building for the Conservator's office was available, as Rs. 40 a month represented the interest on a considerable sum (Board's Proceedings, dated 21st April 1892, Forest Mis. No. 415). The Collector now reports that a site is available in the compound of his cutcherry adjoining the recently built District Forest offices. The Board has no idea of what the building will cost, but, as under Government of India Resolution printed with G.O., dated 19th July 1884, Nos. 1634-35, F.D., the cost should appear in the budget estimate of the Public Works Department, which will have to undertake the construction, the Board requests that Government will be pleased to move that department to frame the necessary plans and estimate in consultation with the Collector and the Conservator of Forests and to provide funds for the same in the Public Works budget estimate for 1893-94.

No. 4691, Revenue.

The proposal to construct an office at Coimbatore for the Conservator of Forests, Southern Circle, is approved, and the papers will be transferred to Public Works Department in view of orders being issued for the preparation of the necessary plans and estimates.

The rent I pay is Rs 95 a month, and I
enclose a copy of the Executive Engineer's certi-
ficate that there is no other building available,
and that the proportion of rent for the part
occupied by my office would be Rs 60 a
month, and I have the honor to ask the
Board to be good enough to sanction this
payment from the 1st December last.

2. I am next to the Revenue Settlement Office, viz. C. S. Street.

My Landlord has built on his compound additional accommodation for his office, charging an increased rent which is paid by the Government, and, if I can get my Landlord to do the same for my office, I will submit further proposals.

Miscellaneous

Copy attached. H. After following Proceedings of the Board of Revenue, dated 21st April 1892, no. 415, Miscellaneous.

Read the following letter from the Collector of Coimbatore, dated 11 July 1892, no. 1815.

In reply to Board's Proceedings, dated 21st April 1892, Forest no. 415 misc., I have the honor to state that a site for an office for the Conservator is available in the compound of my catchery adjoining the recently built District Forest Officer's Office.

Resolution dated 28th September 1892, Forest No. 1005.

Submitted to Government for orders.

2. The office of the Conservator of Forests, Southern circle, is, under recent orders, located at Coimbatore; but there is no suitable Government building available for its

accommodation. In his letter dated 11 March
last, No. 541, the Conservator applied for
Sanction for disbursement of Rs. 40 per
month, as house rent for a portion of
his residence at Coimbatore in which his
office is at present accommodated. The
Board sanctioned the rent, but called
upon the Collector to report whether a
suitable site for the construction of a
Government building for the Conservator's
office was available, at Rs. 40 a month
represented the interest on a considerable
sum (B.P. 21-4-92, Dy. No. 415 Mis.). The
Collector now reports that a site is available
in the compound of his city bungalow adjoining
the recently built District Forest Office.

The Board has no idea of what the
building will cost, but as under
Government of India Resolution printed
with G.O. dated 19 July, 1904, No. 1634, 1635,
F.O., the cost should appear in the
budget estimate of the D.P.W. which
will have to undertake the construction,
the Board requests that Government
will be pleased to move that Department

to frame the necessary plans and estimate in
consultation with the Collector and the Conservator
of Forests and to provide funds for the
same in the Public Works budget estimate
for 1893-94.
