PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the

Board of Revenue (R. S. L. R. & Agr.) dated 19 January 1892
No 623 Mis. pr the following letter from the Collector of
Vizagapatam dated 8 January 1892 No 48:-

I have the honor to forward a copy of a
letter from the Principal Assistant Collector regarding a number
of irrigation works which he proposes to undertake to relieve the
distress in the Jalgonda taluk. It is not yet acute but it is
likely to be so ere long and I trust that the Board will see
its way to having Estimates prepared as rapidly as possible by
the D. P. W.

2. I am addressing the Executive Engineer on the
subject but doubt if he will be able to take as rapid action as
is desirable without orders from Head Quarters.

3. I will ask for funds as soon as the work
of preparing the Estimates is sufficiently advanced if the State
of the season needs their execution.

Resolution.

The attention of the Collector will be drawn to the
instructions conveyed in Board's Proceedings dated 6 April 1891
1891 P. 119 regarding the preparation of Estimates for the
repair of Minor Irrigation works.

2. The Chief Engineer for Irrigation will be requested
to issue the necessary instructions for the preparation of Estimates
for

for such Major Irrigation works as are available in
all parts of the Vizagapatam district at a very early
date.

Order thereon 25th January 1892 No 475
