2. Item 1:- Repairs already sanctioned & in progress amount to Rs 4,995 against the existing grant of Rs 5,125, that is, Rs 5,000 allotted in the Budget plus Rs 195 transferred from the Timmely Dr, and an estimate of Rs 300 for repairs to Pension Pay office (now Pension Pay Machine quarters) has also been received for sanction. The additional grant is therefore required to meet the above demand, as also to meet unforeseen urgent demands that may be made during the remainder of the year.

Item 2:- Of the existing grant of Rs 6,000, nearly Rs 4,500 have been spent to end of September/92 and the balance of Rs 1,500 will not be sufficient even to pay for deductions from bills for materials already collected. An additional grant is therefore necessary to pay for the above accounts to start the work.

Item 3:- Sum of Rs 4,660 has already been spent, and the balance of Rs 439, out of the existing grant of Rs 6,000, will not be sufficient to pay for materials already ordered & to start the work when sanctioned.

In G.O. No. 2856 Wd/15 October 192, further collection of material has however been ordered to be stopped pending the settlement of the question regarding the estimate. Item 4:- Additional grant is required to complete the work as per revised estimate sanctioned in G.O. No. 1412 Wd/5 May 1892.

Item 5:- The construction of the Compound wall & the addition of the Verandah on South side to the upstairs room of the District Munsiff's Quarters. Sanctioned in G.O. No. 2765 Wd/5 October 192 has been ordered to be proceeded with in anticipation of an allotment.

Item 6:- The existing grant being inadequate an additional grant is necessarily required. Item 7:- Required to pay for materials collected for the Police huts at Appanore, & generally to provide for incomplete works of last year.

Item 8:- The works "Covering wells in the Central Jail" Estimate No. 1230 & "Repairing latrine office at Trichinopoly" Estimate No. 660 have not been started for want of funds.

Hence the demands.

Item 9 - The estimates already sanctioned during the year and those sanctioned last year but not carried out in that year amount to Rs 13,567, against the existing grant of Rs 5,372. The additional grant is required for carrying out emergent repairs to the By Takildari cutcherry at Rannad, Estimate Rs 1,000, and to the sub-divisional officers' quarters at Bethamapalam. Estimate Rs 350 for which rent is received monthly, and also for collecting materials for re-roofing the District Jail for which an estimate of Rs 8,070 has been lately sanctioned with reference to G.O. No. 2793 N. dt. 6-10-92.

Item 10 - Required to meet the outlay on repairs to Collector's office at Kotharakulam. Estimate Rs 1,760 & two other petty works which had to be completed before the rains set in. The demand may be partly met with from the amounts surrendered in items 12 to 14, the grant under the head having been already encashed.

Item 11 - The existing grant has already been encashed by Rs 21 owing to the cost

of office rent having been paid for during the current year. Besides a few basket books are required for inspection purposes. Hence the necessity for additional grant.

3080

Items 12 & 13 - Works completed and the balance of grant not required.

Item 14. Owing to delay in vacating the old premises for commencing the work, a portion of grant is surrendered?

3. I request that you will be pleased to let me know as soon as possible whether the amounts applied for can be granted to the full extent, in order that the Engineer, Vizhinjam, concerned may be able to make timely arrangements for starting the work or collecting materials, in some cases, such as, the re-roofing of the Madura District Jail for which the are to be ordered from Mangalore.

I have the honor to be
Sir,

Yours most obedient servant.
