READ—the following papers:—

From A. JOYCE, Esq., Executive Engineer, West Coast division, to the
Superintending Engineer, IV Circle, dated Meppadi, 25th September 1892,
No. 2858.

I have the honour to point out that in G.O. No. 1757 W. of 13th June 1892, purporting to be the orders on statement of military works incomplete for 1891-92 (Imperial), no funds have been assigned in excess of the budget allotment that had been applied for for new barracks, Calicut.

2. The work having been authorized by Government for prompt execution and the time of contract expiring at the end of the official year, every energy was used in the rainy weather to show better progress, which involved an excess expenditure of Rs. 3,300 beyond the budget allotment of Rs. 3,398.

3. This excess was allowed in anticipation of sanction of further grants later on during the year.

4. In these circumstances, I have the honour to request that Government of India may be moved through Madras Government to sanction the grant of Rs. 10,000 applied for in excess of the budget provision.

No. 414 W.

Copy forwarded to the Chief Engineer, Public Works Department, with reference to para 2. of G.O., No. 2642 W., dated 23rd instant, with a request that he will be good enough to obtain an additional grant of Rs. 10,000 for the current official year as the work must be completed before 31st March next.

(Signed) R. R. E. DRAKE-BROCKMAN, Lt.-Col., R.E.,

LETTER—to the Secretary to the Government of India, Military Department, dated Ootacamund, 13th October 1892, No. 2848 W.

With reference to para. 2 of the Proceedings of this Government, No. 2642 W., dated 23rd September 1892, on the schedule of requirements for 1893-94 on account of military works at stations in charge of the Public Works Department, forwarded to the Government of India with endorsement No. 2643 W. of the same date, I am directed to state that as His Excellency the Commander-in-Chief attaches importance to the early execution of the new barrack at Calicut, and as the time agreed upon with the contractor for its completion will expire at the end of the current official year, the work is being proceeded with vigorously and is expected to be finished before the end of March next. I am therefore to request that the Government of India may be moved to sanction an allotment in the present year of Rs. 10,000 or Rs. 12,450 inclusive of centages for establishment and tools and plant required in addition to the existing budget grant of Rs. 3,398.
