I shall be glad to prepare the plans & estimates for the proposed public Offices to be built at Bangalore and to accept the honorarium of 1000 Rupees offered by the Govt of India but I would expect that the expenses of the clerical & draftsmen work which will be necessary in preparing the fair plan & estimates should be paid in addition, there will not be heavy but I shall pay them ^{out} of the 1000 Rs which is about 1 percent of the proposed cost my remuneration would be but little.

Please read the above quoted letters, & say whether you are prepared to accept the honorarium of Rs. 1000-

may be paid in addition.

These expenses will probably be \$300, and

His Excellency the Governor in Council is of opinion

that the amount should not be paid by Mr. Inwin,

the proposed honorarium being only about 1 per cent

on the estimated cost of the buildings.

2. Copies of Mr. Inwin's notes on the subject, of 20th and 27th October 1892, are forwarded herewith.
