PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Collector of Coimbatore, of 10th September 1892, No. 288, recommending that the old Munciff house at Karur made over to the Rev. Mr. Little for an Industrial School on certain conditions he demanded back without the 6 months notice allowed in the 3^d condition since he is stated to be renting it.

From the Rev. Henry Little, Karur, of 7th September 1892.

I have the honour to acknowledge the receipt of your letter No. 1497 of 1892, of the 10th instant and despatched on the 11th.

In paragraph 2 of this letter it is stated that the building referred to is rented by you and the receipts appropriated to the benefit of the Industrial School. In reply I have to state that the largest part of the building is not now rented, neither has it been at any time rented, but is used for the purposes of the Industrial School. * * * * * Mr. Boneridge of the Salt Department occupies two small rooms (closed verandah on one side. He came here and

found

found it impossible to secure a house to live in, so partly out of compassion, and partly that the presence of himself and servants might be a sort of protection to the place at a time when there was much lawlessness in the town I allowed him to occupy the rooms above mentioned.

3. * * * *

4. Such being the circumstances of the case, and as Government now needs the building either for the Police, or for the new Stationary Sub Magistrate, I shall not stand in the way of such interests.

There are two points however which I wish to raise. Fifteen days is rather a short time in which to vacate the building, and from what I have said above, it will be evident I think that nothing has

been done to advantage the Government in shortening the notice they themselves proposed. Within a month or two at the outside I shall be prepared to hand over the building and at an earlier date if possible. Then I have spent Rs 50 in repairing the walls of the compound which were almost washed away when I took charge. This expenditure I think

should be repaid to me, otherwise the kind intention of the Government in giving me the building will not only be frustrated but a loss to me by the result.

Enclosures of the Collector of Coimbatore, of 29 September 1892, No 1527 on the above.

Forwarded to Government in continuation of this office letter of 10 September 1892, Ref.

on No ²⁸² 701. In the circumstances explained I do not think Mr Little can fairly be asked to hand over the building sooner than he offers to do and I beg therefore to modify my former recommendation accordingly I must make the best arrangements I can for the accommodation of the Stationary Sub Magistrate in the meantime.

Order, d 8 October 1892, No 701.

Mr Little may be given two months to hand over the building. He was bound to keep the building in repair, but was not entitled to rent it, and the rent received from Mr Beveridge should be set off against any claim by Mr Little on account of unexecuted improvements. If the District Magistrate considers that after deducting the rent received anything is fairly due to Mr Little he should report. He should also say how the building can best be utilized for public purposes.
