15TH NOVEMBER 1892, No. 3131 W., PUBLIC WORKS.

3131
1

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers:—

From H. O. SELBY, Esq., Under-Secretary to the Government of Bombay, Public Works Department (Railway), to the Secretary to the Government of Madras, Public Works Department, dated Bombay Castle, 28th March 1892, No. 658.

I am directed to acknowledge the receipt of your letter No. 3291, dated 8th December 1891, and, in reply, to forward you a copy of a letter from the Agent, Southern Mahratta Railway Company, No. 6717/3671, dated 15th March 1892, from which you will see that, as the Railway Company did not pay anything for this land in the first instance, they cannot now raise any claim on account of its value.

ENCLOSURE.

From J. CAMPBELL, Esq., Agent, Southern Mahratta Railway Company (Limited), to the Consulting Engineer for Railways, Bombay, dated Dharwar, 15th March 1892, No. 6717/3671.

With reference to para. 1 of letter No. 3291 W. of 8th December 1891, from the Secretary to the Government of Madras, Public Works Department, embodied in Bombay Government Resolution No. 12 of 5th January 1892, I have the honour to report that no debit can be raised by this railway against the Executive Engineer, Kurnool division, for value of the land relinquished at Nandyál, as no compensation was paid for the land in question as already stated in my No. 305 of 7th March 1891.

No. 1730 C.

Referred, with advertence to G.O., dated 13th November 1891, No. 5843, to the Revenue Department, for favour of information, whether any further action is now necessary.

2. Apparently the Collector should formally resume possession of the land and make it over to the Public Works Department.

4th April 1892.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Secretary to Govt., P.W.D.

G.O., dated 24th October 1892, Mis. No. 4664, Revenue.

Read—the following Proceedings of the Board of Revenue (Land Revenue), dated 7th October 1892, Mis. No. 1075, Forest:—

Read—the following papers:—

Endorsement of the Secretary to Government, Revenue Department, dated 18th May 1892, No. 2423.

Reference on the above, dated 20th June 1892.

Forwarded to the Collector of Kurnool for report. The exact amount, if any, paid by the Forest Department for acquiring the site of the building should be stated.

Letter from the Collector of Kurnool, dated 11th July 1892, No. 876.

In reply to Board's Reference, dated 20th June 1892, on Forest Register No. 1273 of 1892, I have the honour to report that from arzi No. 23, dated 31st August 1883, received from the Tahsildar of Nandyál, land was given in exchange for field No. 652 taken up for the building in question and no money compensation was paid. There is no record forthcoming to say whether any money compensation or land in exchange was given for the portions of field Nos. 397 and 653 taken up for the same building.

2. The thirteen enclosures received with the above reference are herewith returned.

Reference on the above, dated 6th August 1892.

The Examiner of Forest Accounts is requested to state whether any payment was made from Forest funds for the acquisition of the site of the building referred to.

Letter from the Examiner of Forest Accounts, dated 6th September 1892, No. 1412.

In reply to the Board's Reference, dated 6th August last, on Forest Register No. 1946 of 1892, I have the honour to state that, as no detailed particulars appeared in the accounts for the cost of the building therein referred to, I am unable to ascertain from a scrutiny of them whether the site of the building was paid for or not, but, presumably, it was, as the Superintending Engineer, III Circle, in his letter No. 1864, dated 13th October 1891, to the address of the Chief Engineer, Public Works Department, distinctly asserts that a sum of Rs. 34 on account of the cost to the site was included in the estimate of Rs. 7,159 for the construction of the building. The actual cost of construction amounted to Rs. 9,409-8-1, which was paid from Forest funds, and included, accepting the accuracy of the Superintending Engineer's statement, the cost of the site. The enclosures are returned.

Resolution—dated 7th October 1892, Mis. No. 1075, Forest.

The second and third papers read above will be submitted to Government with reference to its endorsement, dated 18th May 1892, No. 2423.

2. As it is not definitely known that any portion of the site of the building was purchased with Forest funds, while it is known that all, except a trifling area, was obtained without purchase by the grant of land in exchange, the Board considers that the land may be transferred to the Public Works Department without any money compensation.
