3. Repairing cracks in roof of Collector's
Cutcherry at Trichinopoly, Estimate - Rs 90
Sanctioned the Executive Engineer in Dec/91.

the date men-
tioned against
them under
the latter part
of para 1-22
of the P.W. Code

as the repairs in each case were
considered special and required pro-
fessional supervision, but the Executive
objects to admit the sanction on the
ground that the rule in question -
has been cancelled by L.O. No. 1692 of
1. Nov. 1891.

2. The standing order in question
was received in this office on the 21st.

December 191, which the estimates were sanctioned prior to that date and it is very likely that the repairs have been either nearly finished or put in hand.

3. I have therefore the honor to request that orders of Government may be obtained as a special case confirming the Sanctions already accorded by this office to the estimates in question.
