GOVERNMENT OF MADRAS.

General.
Account.

READ—the following paper :—

From the Presidency Port Officer, Madras, to the Chief Secretary to Government,
dated Madras, 18th October 1892, No. 799/359 G.

With reference to G.O., No. 2686 W., Public Works, dated 28th September 1892, I have the honour to acquaint you, for the information of the Government, that, although the upper story of the Port Office at Tuticorin contains three rooms, one room has always been used as the Port Officer's office except during the period Port Officer Mr. Baker obtained permission to occupy the whole flat on account of the difficulty of obtaining suitable house accommodation in the vicinity on his first taking up his appointment at Tuticorin. Eventually Mr. Baker succeeded in obtaining a suitable residence elsewhere, and the rooms on the upper story, formerly used as the Port Officer's office, was again utilized solely for the purpose. On Mr. Baker proceeding on furlough he gave up his house, and the officer who relieved him being unable to obtain suitable accommodation elsewhere made use of the two spare rooms on the upper story, which, being sufficient for his wants as a temporary measure, he did not find it necessary to make use of the whole flat as a private residence or to disturb the office arrangements. Under the circumstances I would beg that the question of rent may be reconsidered.
