PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Res. of the

Board of Revenue (Land Revenue) dated 21st July 1892, No. 163 in a letter from the Collector of Salem, dated 7th Oct. 1891, Ref. No. 228/359, and the following reference thereon dated 21st Oct. 1891.

The Collector is requested to forward a plan of the Traveller's Bungalow showing the dimensions of the several rooms and the extent of ground available for expanding it.

2. With reference to his letter dated 14th July 1891, No. 1206/329 in which it is reported that the building could be rendered suitable for a Head Assistant Collector's office at a cost of Rs. 4,500, the Collector is further requested to state what additional accommodation it was intended to provide for this outlay.

Also the following letter from the same officer, dated 8th Dec. 1891, Ref. No. 246/329.

With reference to the Board reference on General Register No. 3452, dated 21st Oct. 1891. I have the honor to submit a plan of the Traveller's

Bungalow

Bengal was referred to me but also
furnishes the information required
by the Board.

Resolution.

The foregoing letter will be
submitted for the orders of Government
with reference to the correspondence
ending in Govt. order dated 16th Sept^r
1891 N^o 4915.

2. In the first paper the Collector
reported that the Head Assistant Collector's
office at Sirupakur (formerly the Travellers
Bungalow of the place) was very defective
and although then unsuited for an office
that it was in commodious and ill
lighted, and that the Head Assistant
Collector proposed to extend it, but
that the Executive Engineer suggested
that it would be ~~better~~ better to con-
-struct a new office.

3. As this report did not
contain information as to the extent
of accommodation available in
the building, the Board called for
a plan of it and further requested
the Collector to report, with reference
to his communication, dated 4th
July 1891, N^o 1306 submitted to Govt.
and the Board's Proceedings dated 6th
August

August 1891, N^o 5548 in which he
said that it would require an ex-
penditure of Rs. 4,500 to make the
building suitable for a Head Asst^t
Collector's office and that additional
accommodation it was intended
to provide for this purpose.

3159
✓ With the second paper read
along a plan of the building is forwarded
showing the present and proposed ac-
commodation. The Board thinks
that the proposed additions will
afford sufficient space, but that
the building will never be commodious.
In its opinion it is not worthwhile
to lay out four or five thousand rupees
on patching up the existing bungalow.
The Board thinks that the time has
come for the construction so far as
funds permit, of decent buildings for
the accommodation of Revenue officers
which are now wanting in many places.
It would accordingly recommend that
one be erected at Sirupakur.

Order thereon 15th July 1892 No. 907.

The Government agree
with the Board of Revenue in
considering

considering that a new office should
be constructed at Limpatan for
the Head Assistant Collector, Salem.
orders will issue in the Public Works
Department for the preparation of
the necessary plan and estimates.
