READ the following paper :—

From the Collector of Madura, dated 11th October 1872, No. 61:—

In submitting for sanction an estimate countersigned (to be returned) for Rs 97 1/- from the Superintending Engineer 6th circle for repairs to the Tamkum Bungalow, I have the honor to report that as stated by the Engineer, the Bungalow was in a very bad state of repair and I therefore requested him to forward an estimate and carry out the work in anticipation of Government sanction.

2. There is only a small balance (nearly Rs 90/-) out of the usual amount of Rs 10/- a month deducted from the rent for repairs. I, therefore, request that the Registrar of the Madras University may be asked to place the amount at my disposal from the Johnston of Carnsalloch Endowment Fund.

3. The work being emergent, it has been taken on hand in anticipation of sanction and I beg that early orders may be passed.

4. Since the receipt of the estimate, the Executive Engineer inspected the building and found the verandah of my dining room in a very dangerous state and has ordered it to be pulled down at once. A further estimate for the re-

of Government sanction) will be submitted later on.

Order:- 29th October 1892, No 773

The estimate amounting to Rs 9711 is approved and will be transferred to the Public Works Department.

2. The Syndicate of the University of Madras will be requested to place the necessary funds at the disposal of the Public Works Department.
