24TH OCTOBER 1892, No. 2940 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From W. HUGHES, Esq., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Camp Kumbakonam, 10th October 1892, No. 448 W.

I have the honour to submit, for sanction, two applications for modifications and additions to existing grants under Provincial Civil and Incorporated Local Funds for the year 1892-93.

With reference to the remark in your memo. No. 4324 C. of 3rd October 1892 as to insufficiency of the grounds for surrender of Rs. 5,000 from the grant for the District Munsif's court-house at Tirukoilur, fuller explanation has now been given in the remark column of the statement for Provincial works.

ORDER—dated 24th October 1892, No. 2940 W., Public Works.

In the circumstances explained, the sum of Rs. 5,000 surrendered from the grant for constructing a District Munsif's court at Tirukoilur is resumed and credited to the Provincial reserve with the Government.

2. To meet the liabilities already incurred in connection with the improvement of the wharf in front of the Toputurai Sea Custom office in the Negapatam division, a sum of Rs. 400 is appropriated from the Provincial reserve.

3. The other requirements under "Provincial" will be kept in view should funds become available later in the year.

4. As regards the demand under Incorporated Local Funds for the maintenance of the Vedarniem canal, it is observed that G.O., No. 1606 W., dated 4th June 1892, appears to have been misunderstood. The figure (Rs. 10,353-8-0) entered therein does not represent, as has been supposed, merely the item — moiety of the difference between the traffic receipts and the cost of the maintenance of the canal during 1892-93 — but it represents this item *plus* the balance due by the Tanjore District Board to the end of 1891-92 on account of the upkeep of the canal. Nor is there a Local Fund grant for the work for the current year as shown in the present application for funds. The sum of Rs. 1,640 placed at the disposal of the Public Works Department in

* G.O., No. 1538 W., dated 19th May 1892. G.O., No. 1153 L.,* dated 17th May 1892, was the Local Fund share of the maintenance charges of the canal from October to December 1891. This amount has already been taken into account in calculating the total liabilities of the District Board to the end of 1892-93 as per details given in the Government Order first quoted. Pending an explanation from the Superintending Engineer, V Circle, on the points noticed above, no action can be taken on his application.
