Copy of letter No 1032-C, dated 8th November 1892,
from the Principal, College of Engineering, Madras, to
the Examiner of Public Works Accounts, Madras.

In reply to your No 1602-C, dated 5th November,
1892, I have the honor to state that no orders
have been received in my office which would
render persons who passed the Entrance Examination
for Accountants prior to the introduction of
Mensuration and Bookkeeping, ineligible for ap-
pointment.

2. I consider that such candidates are
eligible for appointment as Accountants; but at
the same time, I think that, as the subjects
named were introduced as far back as 1885, the
Superintending Engineer might fairly state that
he prefers a passed man with modern acquire-
ments; and thus induce the candidate to quali-
fy himself under the present scheme of
Examination.
