Superintendent, 6th Circle.

To

The Chief Engineer 3194
S. D. W.

Sir,

I have the honor to state that, on the requisition of the Lt. Engineer, Richinopoly, I have sanctioned an estimate of Rs 650 for repairing the Survey office in the old Khabab's Palace at Richinopoly Fort, and ordered the repairs to be proceeded with in anticipation of allotment of the amount.

2. The building is not only occupied by the Survey office, but also by officers of several other departments. Hence, the repairs are to be carried out by the Department as in the case of the Artillery Barracks now occupied by Civil Officers, under G. O. No 23864 of the 26th August 1892.

3. As it is probable that His Excellency the Governor will visit

the building during his inspection
tour and as it is much in want
of repairs, orders have been given to
proceed at once with the same.

I request that the amount in
question may be at once allotted
irrespective of that applied for in
this office no. 1118 J.C under Provincial
Civil Buildings, Repairs, for this
division.

Yours truly
Sir

Yours most obedt Servant

Al Smith Leitch J. C.
