PROCEEDINGS OF THE MADRAS GOVERNMENT.

again by G. dated
Read the following paper:—

24th November 1891, R. N. 168.

Read the following
letters from the District Magistrate, Chingleput,
dated 11th May and 5th November 1891, N^o 459
and 1528, respectively.

Order 24th November 1891, R. N. 168.

The Government considers that
the site proposed is too near the Teachers' College
and the Mount Road and that the incinerator
should be placed further off nearer the river.
The District Magistrate will furnish Govern-
ment with his views on this point.

Read also the following
letter from the collector of Chingleput, dated
4th January 1892, N^o 1305.

With reference to G. O. N^o 168 dated
24th November last, I have the honor to inform
you that after consultation with the Principals
of the agricultural and teachers' colleges and
the

the officer in charge of the Veterinary Hospital,
I have selected a site for the cinerator as
marked in the accompanying map. The
spot is close to ^{the} river and at a greater distance
from the Mount Road and Teachers' College
than that formerly selected. It is to be
hoped that the parties using the river
will not object to the proximity of the
Cinerator.

Order 19th January 1892 N-64.

The site selected is approved. The plan to
and the necessary steps will be taken in the Public Works Department for the construction
of a suitable Cinerator. When this has been set up all infected carcasses from
the Veterinary Hospital, Saidapet, will
be disposed of by burning.
