My dear Walsh.

In the Fort St. George Gazette of 9th August last, page 1130. tenders are invited for improvements and additions to the Army Head Quarter Offices, and it says "work to be completed by the 31st May 1893". I now hear however that orders have been issued for the suspension of all work, as no funds are available. The question of improvements to these Offices has now been hanging fire for over two years, & if not taken up now, I'm afraid a third year, if not more will elapse before anything is done. Cannot funds be

allotted, so as to finish this work
out of hand, & get rid of it once fo
all, as the improvements are great
needed to augment ~~present~~ its accom-
-modation which is cramped. If
anything can be done to carry the
out, without further delay, we sho
all be very thankful.

Yours sincerely
E. H. Eyre

WITH GOVT. OF MADRAS.

SIR,

In reference to the sanctioned estimates for new Native Nurse Quarters and the conversion of the existing Quarters into permanent Store Rooms, I have the honor to point out that the work was sanctioned & entered in the Provincial Budget Estimate under Class B, which, I am informed by the Consulting Architect to Govt., means that funds may be granted later in the year if available.

2. The existing Storeroom accommodation is very cramped & the native pupils are badly housed & the work is really a most necessary one, and I therefore beg that Govt. may be strongly urged to give orders that the work be carried up in the current year & without any further delay.

I have the honor to be, Sir,
