SIR,

I have the honor to submit herewith, for favor of Order, a copy of list of items disallowed by the Examiner of Public Works Accounts from the claims preferred by Mr. G. F. Handcock, Executive Engineer, on his transp. from Bellare to Vizagapatam. I also forward herewith the Executive Engineer's letters nos 1662 & 1801 dated the 16th & 30th September 1892 respectively (to be returned) and a copy of my letter No. 482 T.L. dated the 25th idem for your information.

2. The Examiner will probably pass the steamer freight on the Camp equipment on receiving the required information from the Executive Engineer. As regards the other items, I cannot quote any rules under which the claims were made vide para 109 Chapter IV volume I of the P.W. Code - but

as Mr. Hancock believed that the actual charges would be passed, & as he was put to considerable expense by the transfer, I submit the case to you to be dealt with as a special one, under the circumstances stated in his letters above quoted.

I have the honor to be,

Sir,
Your most obedient

F. J. Brown

Under Civil Service Regulations article 1093, Mr. Hancock can only recover the actual freight of the camp equipment conveyed by steamer.

2. Of the total amount (Rs. 178-9-6) claimed, Rs. 128-11-6 are for landing charges, furniture, glass ware, wearing apparel and gun. This was disallowed in the absence of any rule under which it could be admitted.

3. The balance (Rs. 39-14-0) will be admitted on receipt of information as to details of the Rs. 10-14-0 included as "charges" in the bill.

4. Mr. Hancock joined his appointment in the Vizagapatam Division on 7th May 1892 afternoon, while the camp equipment was sent about the latter part of June 1892 i.e. after about 7 weeks. It is for Government to decide whether the claim is covered by Civil Service Regulations, article 1093.

Letter from Supdy Engr I Circle No 514 VL 3.4/8 Oct. 1892
Office Note from the Ex. P.W. Accts. 1540 CD/1 Nov. 1892

For orders

The items of Mr. Hancock's claims disallowed by the Examiner of P.W. Accounts are as follow: -

- (1) Daily allowance for 26 June 1892 - Rs 5--
- (2) (a) Freight & charges on 5 packages, tents 3 bundles of poles & 1 matted
Freight Rs 29--
charges - 10-14-- 39-14--
- (b) Landing charges on above - 2-14--
- (3) Cooly hire for above - 5-6
- (4) Landing charges on 8 packages - 15-6--
- (5) Freight on 37 packages of furniture, glassware, wearing apparel & gun - 111-14--
- (6) Export cooly on 40 packages - 6-4--

Total

The disallowance of item (1) appears to have been admitted by the Executive Engineer.

2. The claims in dispute are items 2 to 6 which amount to Rs 176-9-6. Of these item 2(a) for Rs 39-14-0 will be passed by the Examiner on receipt of details for Rs 10-14-0 which have been called for from Mr. Handcock. The Examiner however leaves it for the decision of Govt whether this claim for Rs 39-14-0 is covered by Article 1093 of the Civil Service Regulations, the Executive Engineer having joined the Vizagapatam Division on the 7 May 1892 and the camp equipment having been sent about the latter part of June

1892. The Examiner apparently thinks that the camp equipment could have been sent by land, there having been an interval of 7 weeks between the Executive Engineer's arrival and that of his camp equipment. It is thought that the claim may be passed by Govt in consideration of the heavy expenses the Executive Engineer was put to by the transfer.

Items 2(b) and 3 to 6 aggregating Rs 136-11-6 are not covered by any rule and apparently should be finally disallowed.
