From

Consulting Architect

to the Government of Madras,

To

The Chief Engineer

Public Works Department.

Madras.

Sir,

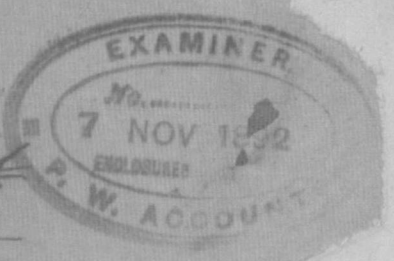

Enclosures.

With reference to para 7 of G.O. 12557
 of 14th October 1892, I have the honor to enquire
 whether any sanction of Government of India
 would be necessary as the case in question
 is covered by rule 7 para 32 Chapter II of
 P.W.D. Code. From G.O. 3118 W of 19th December
 1884 in which the appointment of Conservator
 Sergeant was first sanctioned, it is quite
 evident that the sergeant should be pro-
 vided with free quarters on the spot as
 he is required to see that the night
 watchmen in the various offices are
 at their post.

2 Under the above circumstances, I am
 of opinion that no sanction of India

Am 17/10/92 J.C. 22/0

is necessary in this case, but if the Govt
is disposed to take any other view of this
matter, I shall submit the statement
called for in the Government order quoted
in paras above.

I have the honor to be
Sir
Your most Obedt Servant

If Government consider that re-
sidence in this case is forced & that
the Conservancy Sergeant can be brought
under the operation of P.W.D. Code, cha-
pter XI, para 32, rule V, sanction of the
Government of India would be unneces-
sary.
