Dated *14th October 1922*

From

Alfred Chatterton ESQUIRE,
Professor of Engineering
r 5869. EXECUTIVE ENGINEER,

GUDIVADA DIVISION,

Kistna.

To

THE *Chief Engineer*

P.W.D.

SIR,

*Thro' the Superintending Engineer
II circle.*

Enclosures.

With reference to your No. dated

I have the honour to request that you will be good enough to obtain the sanction of the Govt of Madras & of the Govt of India if necessary to my transfer to the Railway branch of the P.W.D. for employment on the East Coast Railway. The work on Godavery Bridge I understand will probably be started early next year and as by the end of next January I shall have had one year's experience in the Kistna Delta I venture to submit that on a large

work like the Godavery
 Bridge I shall have
 better opportunities of
 getting further practical
 experience in the construction
 of large works in this country
 than either by continuing
 in this circle or by my
 transfer to another circle.

I have the honor to be,
 Sir,

Your most obedient Servant

Alfred Chatterton
 Executive Engineer

Gudivada D.D.

Read the following:-

Letter from Alfred Chatterton Esq. No. 1945 dated
 14th October 1892.
 End: thereon by the Suptg. Engineer II circle No. 1775 K.S.
 dated 19th October 1892.

FOR ORDERS.

The P. W. Department-
 General Branch. has
 given the Educational
 Dept. one of its Assistant
 Engineers in return for Mr.
 Chatterton's services, and
 if the proposal now made
 is sanctioned, the General
 Branch will be deprived
 of one officer, for it is
 assumed that Mr. Whiteley,
 who is acting for Mr.
 Chatterton in the College
 of Engineering, cannot be
 disturbed till his term
 of

of office expires. The proposal will, moreover, require the sanction of the Govt of India which arranges the posting of officers on State Railways, and that Govt. will have to accept the charges now borne by the General Branch on account of Mr. Chatterton.

2. If these difficulties can be overcome, the Godavari Bridge work would be a good one for Mr. Chatterton to go on, from the commencement of next official year.

It is enough to say that the Godavari Bridge work will not be started next January.
