READ—the following papers:—

Procs. of the Board of Revenue (Separate Revenue), dated 6th Sept. 1892, Mis. No. 3409.  
From the Director-General of the Post Office of India, dated 10th Nov. 1892, No. 10052.  
Telegram from the Director-General of Telegraphs, dated 19th November 1892.

ORDER—dated 24th November 1892, No. 3230 W., Public Works.

Ordered that the schedule of requirements under Imperial Civil Works for 1893-94 be forwarded to the Government of India, Public Works Department.

2. A sum of Rs. 10,000 was provided in the current year's budget for postal repairs, but the amount was found to be inadequate, the Government having since undertaken the maintenance of postal buildings in Mysore. The demand for next year has accordingly been increased to Rs. 11,000, which is estimated to be sufficient for all requirements.

3. The officers concerned will lose no time in submitting plans and estimates for items 3 and 4 of the schedule, and the Resident in Mysore will be requested, in the Political Department, to arrange for the submission of the requisite estimate for the combined Post and Telegraph office at Mysore.
