Copy of Letter from B. B. Walker Esqre M. I. C. E., Officiating Consulting Engineer for Railways dated November 8, 1892:-

Referring to article 714 of the Civil Service Regulations in which it is stated that, for approved service, additional pensions of Rs. 1,000 per annum will be granted to officers who have served for three years as superintending Engineer, and an extra thousand rupees to those who have served for the same period as chief Engineer, or to officers who have been graded as such. And again to Government of India Resolution No. 1783. G. dated 18th June 1892 which states that "if an officer to whom above applies is compelled to retire under the 55 years rule or on medical Certificate before he

*G.O. No. 2002 W. dt/13th July 1892.

He has served the full period of three years he may, with the sanction of the Government of India receive a special pension reduced in proportion to the time short of three years which he has to serve in the grades referred to" I take the liberty of respectfully requesting the Madras Government to submit my claim to the Government of India for the special pension of Rs. 7,000 per annum, or if that cannot be granted for Rs. 6,938-13-0 on the grounds of approved service.

My total service in the Department as well as in the different grades is as follows:—

	Y.	M.	D.
Assistant Engineer Grade	4.	9.	16
Executive Do.	13.	1	25
Superintending Do.	8	7	5
Total	26.	6.	16.

Chief Engineer 3rd class Temporary .... 15th March 1890.

—— Do —— 3rd Do. Substantive .... 18th March 1890.

Chief Engineer 3rd class Temporary ... 8th April 189
Superintending Engineer 1st Class .. 16th December 189
Chief Engineer 3rd class Temporary .. 9th January 189
—— Do —— 3rd —do— Permanent .. 31st January 189
—— Do —— 2nd —do— Temporary .. 24th June 189
—— Do —— 2nd —do— Permanent ... 8th August 189
Retire ..... 31st January 189

From the above it will be seen that I served for nearly 9 years as Superintending Engineer which with the approval of Government would entitle me to an additional pension of Rs. 1,000 or in all Rs. 6,000 per annum. While under similar conditions, my service of 2 years 9 months and 23 days as Chief Engineer would permit of my getting $\frac{1028}{3 \times 365} = \frac{1028}{1095}$ of Rs. 1,000 extra, or Rs 938-13-0 in addition to the Superintending Engineer's pension, making a total of Rs 6,938-13-0.
