Sir

I respectfully beg to place before
you the following circumstances and hum-
bly implore as an act of benevolence you
will be pleased to release me from a
punishment which originally though
intended to be only temporary, yet now
after a lapse of over 16 years threatens to
become permanent.

Two months previous to my retire-
ment on pension from the Public Works
Department in 1874, I was reduced from
Overseer 2nd Grade to Overseer 3rd Grade
this reduction was to last for a period of

12 months only vide G.O. 2461 of the 31st
August 1874 herewith enclosed. On the
expiration of the 12 months I was to revert
back to my permanent post in the 2nd Grade.
It is now over 16 years since those 12 months
have transpired.

My pension Rs 48-2-1 is the one
third of my average salary for the closing
five years of my service most of which
was in Superior grades; when I retired
on pension I was borne on the list of 2nd
Grade Overseers and my successor was
gazetted to the 2nd Grade in my place.

I am now instructed by the Accountant
General Department Civil Branch, that
they will restrict any emolument I may get
for service under Government including
my pension to the salary of a 3rd Grade Over-
seer viz Rs 60/- unless there is
a distinct ruling to regard the salary
of my permanent post as 2nd Grade Overseer
as that on which I retired on pension.

I

I am at present in non-pensionable Govt.
Employ. the salary of which is Rs 35/- per
mensem, with this salary I only gain an addi-
tional per month of Rs 11-15-11 for this
(11-15-11) added to my pension of Rs 48-2-1
is equivalent to Rs 60/- the salary of a
3rd Grade Overseer whereas on my retirement
I was counted as a 2nd Grade Overseer.

In bringing the above before you I most
respectfully and humbly beg to solicit you will
be pleased as an act of charity, to move the
Government to direct the Civil Accountants
to regard my salary at the time of my retirement
to pension as Rs 80/- the salary of a 2nd Grade
Overseer which was my permanent post at the
time, and so relieve a poor distressed member of
the P.W.D. though now on the Pension List.

I beg to remain

Sir

Your most Obedt. and humble Servt.
Sunil Narayan
Enclosed Overseer P.W.D.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers—

Endorsement of the Public Works Department
 of 4th October 1892, No. 488 D.

Letter from the Accountant General of
 16th November 1892, No. $\frac{S.A.D.}{294}$.

With reference to your Memorandum No. 115
 of the 10th of October 1892 referring to me for remarks
 certain papers regarding Mr. S. Klaridge's claim to his
 pay on retirement being treated as Rs. 80 instead of as
 Rs. 60/- per mensem, I have the honor to make the following
 remarks.

Mr. Klaridge was employed as Taluk Officer,
 2nd Grade, on a salary of Rs. 80/- per mensem up to
 31st August 1874, when owing to insolent and unjustifiable
 charges brought by him against his official superior, the
 District Engineer, he was reduced to the 3rd Grade in
 Oversership for a period of 12 months under Government
 Order No. 2461 of the 31st August 1874. He remained
 in the latter appointment for 2 months and 10 days,
 and afterwards retired on an invalid pension of Rs. 48-2-1
 per mensem under Government Order 464 dated the
 11th August 1875. He is now re-employed as an official
 charged

3279
u

Charged with the Payment of Military pensions
at North Ainst on a salary of £35/ and my
office during the period of his re-employment restricted
his emoluments to £60/- the pay which he last
drew on retirement. Mr. Claridge contends that,
as the degradation was intended to operate on him
only temporarily for 12 months, and as he would
have been restored to his former position had he
not been declared to be incapacitated for further
service, his pay on the date of retirement should
for the purpose of regulating his emoluments on
re-employment, be treated not as £60 - but as
£80/- per mensem, and that accordingly he
should be allowed to draw out of his pension, £45/-
instead of £25/- per mensem. This contention is un-
tenable under Article 569, note under Article 573(c)
and 574 of the Civil Service Regulations. It is true
that Mr. Claridge would presumably have been restored
to a ² 3rd grade overseership if he had remained in ² 2nd
service for 9 months and 20 days longer. But the rules
take into calculation the actual pay enjoyed at retirement
not that which might have been obtained at some future time.

The papers received with your Memorandum under reply
are herewith returned.

Order of 22nd November 1892, No: 1263.

The Accountant General's reply will be communicated
