with a copy of your Note or Endorsement

of Circle with his Note of 1834 of 15th April, 1834
for submission of the same to Government
India in due course with my Memorandum.

pleased to favor me with a copy of the same
which he submitted with my petition to

connected with my case, I request that you

Most Respected Sir

In obedience to the Chief Engineer
Memorandum No. 4466 C of 17 Instant (which
received on the 22nd) declining to furnish me
with a copy of his Note or Endorsement which
he submitted to Government with my appeal
petition, I beg most respectfully to point out
that in G.O. No. 802 dated 16 August 1887 (Public
Department) communicated with G.O. No. 2801,
dated 20th October 1887, it is clearly laid down
that copies of the whole of the correspondence
connected with the dismissal of a Government
Servant, should be furnished to him.

I beg therefore most respectfully
that your honor will be graciously pleased to
me with a copy of his Note which I apply
in my petition dated 3rd Instant for submission
of the same to Government of India with my
Memorial

I beg to remain

Sir,
In reply to your No 4743 C of 16th Novem-
ber 1892 I have the honor to state that
A. Paradaraja Mudaliyar was furnished
with a copy of the order dismissing him.
The charges against him were not reduced
to writing but what they were will be seen
from his defence (herewith enclosed for perus-
al) in which he fully admits his guilt.
The charge against him is also stated in
general terms in the order of dismissal.
As the Clerk's defence is entirely contained
in the letter written by himself of which he
no doubt kept a copy, no copy was given

in from this office. It is believed
that a copy was submitted by him to
the Chief Engineer with the appeal bearing
this office endorsement. G.O. 183 W on
15-4-92 which orders were passed in G.O. 1297 W
dated 23rd April 1892.

I have the honor to be
Sir
your most obedt Servt.
