PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Inspector General of
Registration, Madras, dated 16th November 1892,
G. No 2238:—

The Subregistrar's Office at Vikravandi
in the South Arcot District is held in a private
building for which a rent of Rs 3-8-0 per mensem is
paid. The owner requests that the building should
be vacated as he requires it for his own use. As there
is no other building available for rent and as the
lease deed executed by the owner provides for the occupa-
tion of the building for the Subregistrar's Office as long
as the Government is willing to have it, the District
Registrar informed the proprietor that the building could
not be vacated at present. The owner appealed to me
representing that it was not intended that the building
should be occupied by Government for an indefinite
period and requested that the building should be
vacated at an early date. I have intimated to him
that arrangements will be made for constructing a
Government building at an early date and that as
soon

as soon as this is done, the building will be vacated.
There is no other private building at Vitoravandi which
is even tolerably adapted for the purposes of a
registration office.

The Subregistrars office was opened
in October 1889, and the number of registrations and
the amount of receipts of the office during the past
3 years are noted in the margin. As the progress
made by the office has been satisfactory, I beg that
the Government may be pleased to direct at an early
date the construction of a building for the
office on the design approved in G.O. dated 21st
July 1888 No 22304.
