Madras, 8 January 1892.

OFFICE NOTE No. 425. *not com.*

To

W.

With reference to G.O.No.3024 dated 11th. November 1891 directing the Superintending Engineer 3rd. Circle to arrange for continuing the experiment of rain-making at Bellary, the Superintending Engineer has written to inquire to what head of account the charges incurred thereon should be debited.

2. As there is no suitable service head to which the cost of these experiments can be charged off in this Department, I would suggest that instead of the grant being placed at the disposal of this department, the expenditure as incurred, be debited in transfer to the Civil Department for adjustment against the grant of Rs.2,000 which the Financial Department has (in G.O.No.5783 dated 10th. November 1891) been requested to make.

3. Pending orders of Government on this point, the Superintending Engineer has been informed that the charges may be debited to Miscellaneous advances.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

Endorsement of the Public Works Department, of 12th January 1892, No. 199C, on office note from the Examiner P. N. Accounts of 8th January 1892 No. 42. S. T. enquiring to what head of account the charges incurred for rain-making experiments in Bellary should be debited and suggesting that instead of a grant being placed at the Public Works Department's disposal, expenditure as incurred be debited in transfer to the Civil Department for adjustment against the grant of Rs 2000 which the Financial Department had been requested to make.

Order 29th January 1892 No. 120.

Any expenditure that has been already incurred may be debited in transfer to the Civil Department for adjustment against the grant
