Sir,

I have the honour to submit
for approval and sanction of Govt.
an estimate amounting to Rs 1,810 for
constructing a store room at the Vellore
Central Jail

2. In order to effect economy in
the dieting of prisoners, it is desirable
that the grain supplies should be purchased
at harvest time when prices are low, in
quantities sufficient to last for 6 months.
At present, however, the Jail is unable
to do this because there is no place
wherein to store the grain when bought.

3. The site of the store room was
selected when I inspected the Jail in
August
