I have the honor to submit
a revised estimate for the carriage of
tools returned to stores from the
various famine works in the District.
2. The original estimate sanctioned
for Rs 1300 provided for the carriage
of about 40,000 tools issued at the
time the estimate was prepared after
the submission of the estimate about
10,000 more tools were issued and
the revised estimate now submitted
includes cost of carriage for
this number and also for the
tools issued by the Famine Commission
to the Local Fund Engineer Bellary
and from the stores at Hospett
and Harpanahally.

3. As all the Famine tools
have been ordered to be stored
at Bellary cost of carriage of tools
from Harpanahally & Hospett stores
to Bellary has also to be debited
to this Estimate.

4. The revised estimate provides
for the carriage of approximately
90,000 tools to the Divisional Stores.
