GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 15th January 1892, No. 32 :—

MR. CLOGSTOUN.

Read—the following letter from 'O. WOLFE-MURRAY, Esq., Acting Collector of Cuddapah, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated 3rd January 1892, Ref. No. 2856-Eng. :—

In enclosing herein copy of a letter No. 1082, dated 22nd December 1891, from the General Charge Deputy Collector, Sidhout, on the working of relief measures in Badvel and Sidhout taluks, I have the honour to request the Board will kindly sanction the appointment of a temporary overseer on Rs. 35 for three months for the preparation of estimates, alluded to therein, payable from Provincial funds under Famine Relief.

2. The Deputy Collector although an able, willing and energetic officer, is scarcely able to cope with the work of the division in ordinary times owing to its heaviness, and I have had to find fault with him for being in arrears already, and I consider that it will be quite impossible for him to supervise the relief works now commencing properly unless assistance is given to him.

3. His magisterial file alone—original, appellate and miscellaneous deals this year with some 260 cases, which is really very heavy, and which he must certainly be relieved of, particularly in view of the approaching jamabandi. I need hardly say it will be impossible to transfer the magisterial work of this division to the Cuddapah Deputy Magistrate, who has already a fairly heavy file of his own, besides plenty of work as Municipal Chairman, and will shortly have to be at work on jamabandi, and also will have his hands more than full with the supervision of the numerous minor irrigation works that must shortly be opened in many parts of the Cuddapah taluk.

4. I therefore consider that a Deputy Magistrate should be appointed at a very early date to do the magisterial duty, both original and appellate, of the Sidhout and the Cuddapah divisions, and he can also assist me in my routine work when at Cuddapah where he will no doubt spend most part of his time.

Resolution—dated 15th January 1892, No. 32.

Submitted to Government.

2. The Board recommends the appointment of an extra Deputy Collector as proposed by the Collector to do the magisterial work, both original and appellate, of the Sidhout and the Cuddapah divisions, and to assist the Collector in the disposal of routine work at head-quarters.

3. The appointment of a temporary overseer on Rs. 35 for the preparation of estimates of minor irrigation works is also recommended.

25TH JANUARY 1892, No. 85, REVENUE.

4. The appointment of one head cooly for each gang of 20 is, in the Commissioner's opinion, unnecessary. A head cooly can, according to the nature of the work, look after from 50 to 100 coolies.

5. The appointment of maistries should depend not on the cost of the work but on the numbers employed.

3. With reference to paragraph 2 of the Proceedings read above, it is observed that a Special Assistant to the Collector of Cuddapah has been appointed in the last Gazette.
