ENCLOSURE.

Sir,

3351

I have the honor to inform you that the wire rope of B. Tramway conveying materials to the main Dam, supplied by Messrs Bullivant & Co of 72 mark Lanes London, E.C. is showing signs of wear, and will, I fear, become unserviceable in a short time. I beg therefore that you will be good enough to telegraph to England for a duplicate rope, to come out with all possible speed. The specification is as follows. "5,400 feet of crucible steel wire rope having a breaking strain of 20 Tons to be coiled on wooden reels of 4 feet diameter and properly protected by Canvas for shipment. To be consigned to Superintendent of Works, No 1 Periyar Division, C/o Port Officer, Tuticorin."

I have the honor to be,

Sir,

Your most obedient servant

W. B. de Winton
