READ—the following papers:—

From Brigadier-General HUGH P. PEARSON, c.b., Adjutant-General, to the Secretary to Government, Military Department, dated Ootacamund, 16th September 1892, No. 1974 N.A.

I have the honour, by desire of the Commander-in-Chief, to forward, for the information of Government, letter, No. 431-E—2976, dated 29th August 1892, from the Superintendent of Pensions, together with a report regarding the employment of pensioned soldiers of the Madras Army in civil capacities, for the half-year ending 31st March 1892, and to say that His Excellency considers the report a satisfactory one, with the exception of that part which refers to the number in employment, which Sir James Dornier regrets to observe shows a decrease of 112 during the half-year under review.

2. I am to request that the report now submitted may be printed and circulated in the Public Department and also communicated to the Madras Press.

From Colonel FANE SEWELL, Superintendent of Pensions, to the Adjutant-General, Ootacamund, dated Fort St. George, 29th August 1892, No. 431-E—2976.

I have the honour to forward, for the information of His Excellency the Commander-in-Chief, a report and return for the half-year ending 31st March 1892, regarding the employment, in civil capacities, of pensioners of the Madras Native Army.

ENCLOSURE.

REPORT by Colonel Fane Sewell, Superintendent of Pensions, on the employment of pensioners of the Native Army in civil capacities, agreeably to the scheme promulgated by His Excellency Lord Roberts, c.b., c.i.e., V.C., late Commander-in-Chief, Madras Army, dated 29th August 1892.

The report dated 4th March 1892, after the scheme had been in work for 6 years and 9 months, showed 2,993 pensioners as remaining in employment on the 30th September 1891 under the new conditions.

2. Between September 1891 and March 1892—a period of six months—employment has been found for 654 pensioners, which added to the 2,993 employed pensioners alluded to in the foregoing paragraph gives a total of 3,647 pensioners.

3. Of the above number (3,647), 531 are reported as having voluntarily resigned employment, 69 as having been thrown out on reduction, 41 dismissed for negligence of duty, disobedience of orders, &c., and 66 died, leaving thus on the 31st March 1892 a total number of 2,940 pensioners employed under the new conditions.

4. The scheme has now been on trial for seven years and a quarter, and the number of men already employed testifies to the continued appreciation by the general public
