READ—the following paper:—

From J. C. LARMINIE, Esq., Superintending Engineer in charge of Coimbatore Division, to the Superintending Engineer, IV Circle, dated Calicut, 15th November 1892, No. 4025.

I have the honour to forward herewith copy of letter No. 1426 of 8th instant, from the Principal and Secretary to the Lawrence Asylum, Ootacamund, informing that the asylum is not prepared to pay the usual charges for establishment and tools and plant for constructing out-houses and improving sergeant's quarters, Lawrence Asylum, Ootacamund.

2. From India Code, Vol. I, Chapter IX, para. 81, rule II, it would appear that these claims cannot be waived without special sanction in each case as it arises and the Government Order referred to by the Principal and Secretary, which relates to special works of the asylum constructed by this department, does not apply in this instance. The work now in question was sanctioned for execution in G.O. No. 301 (Educational), dated 5th April 1892, and, as it was reported urgent, it was put in hand pending an allotment from Lawrence Asylum funds, so I request that the orders of Government may be obtained as to the debit or otherwise to asylum funds of the usual charges for establishment and tools and plant now disputed by the Principal and Secretary.

ENCLOSURE.

2. If you will refer to G.O., dated 13th February 1889, No. 412 W., you will observe that similar charges of works carried out by your department for the asylum were waived.

3. I shall feel obliged if you will be so good as to submit this letter to Superintending Engineer of the division for the orders of Government on the subject of your claim.
