PROCEEDINGS OF THE MADRAS GOVERNMENT

Read the following paper:—

From the Inspector General of Jails, 9th November
1892 No. 9/119.

I have the honor to request that the Government will sanction the preparation by the Consulting Architect, of the necessary plans and estimates for the construction of additional accommodations for the Press at the Penitentiary. I was when inspecting this Jail last week, I met Mr. Pitt, the Superintendent of the Government Press, by appointment, and went into the questions connected with the working of the Penitentiary Branch. Mr. Pitt informed me that, in accordance with orders of Government, he is gradually taking up the work of printing forms from the Districts. I understood him to say that the work has already been taken up from 6 districts, and that of 6 districts more will be taken up next year. Owing to this increased work more press and more room for them is essential, and it will be necessary to add an additional work room, of the same dimensions as the existing press room.

on a site immediately in front of it. The room is roughly estimated to cost Rs 2500 or rather less.

The only alternative to the provisions of this increase work room accommodation would be that the work should be done at the Government Press by free labour. As the employment of convicts in place of paid workmen effects a large economy, and as the extension of printing operations at the Penitentiary is very desirable in the interests of the Jail Department, I trust that the Hon. Secy's proposal will receive the approval of Government.

Order 5, November 1892 No. 2238

The Consulting Architect will be directed in the Public Works Department to prepare the plans and estimates referred to.

(Signed)

A. J. C. Under Secretary

18842 square feet, and the cost per square
foot will be Rs. 2-3-9 including ground rent.

The plan and estimates have been countersigned
by the Collector of the District
and approved in the Revenue Dept.
Department.

REMARKS.

This estimate has been framed with re:
reference to G.O. No. 2076 dated 17th
August 1891. It provides for constructing
a first class taluk office at Gopichatti:
palayam in the Coimbatore Dist. with
out-houses.

The estimate for the main building has
been based on the type design circulated
with G.O. No. 3023 dated 11th November 1891
for tiled roofing & the out-houses as per
design circulated with G.O. No. 1009
dated 22nd May 1889.

The site proposed is on private land.
This has been approved of by the Collector
a sum of Rs. 575 has been provided in
the estimate as compensation for the
land.

The estimate provides for 24 wooden
round racks & a movable wooden
slip

Slip ladder as per type design.
The ~~est~~ estimated cost of
the buildings appears to be
reasonable

tho.
