READ—the following paper:—

From Lieut.-Col. A. C. SMITH, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 5th December 1892, No. 940 M.D.

It has lately been brought to my notice that a portion of the old taluk cutcherry at Nelacottah, in the Dindigul Taluk, Madura district, had been sold, under orders of the Board of Revenue, No. 3088, dated 13th June 1861, by the then Collector, and the remaining portion,* which is separate and which was under the occupation of the Police department, has recently been vacated by that department.

2. The President, District Board, Madura, to whom a reference was made by the Executive Engineer, states that the building is wanted for the use of the Union Punchayat of Nelacottah.

3. The building is reported to consist partly of mud and partly brick walls with tiled roof; the walls are said to be cracked in some places and in want of repairs, while the roof is good. It is not required at present for any Government purpose. I have, therefore, the honour to request that orders may be passed for its transfer to the District Board on condition of maintaining it in good order and handing it back when required by Government.

4. This department was not hitherto aware of the existence of this building; it will be brought on in the next return of buildings.

ORDER—dated 12th December 1892, No. 3406 W., Public Works.

Sanctioned on the conditions proposed by the Superintending Engineer in para. 3 of his letter.
