GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads,
Civil Works.

READ—the following papers :—

From F. A. NICHOLSON, Esq., President, District Board, Salem, to the Chief Secretary to Government, dated 20th October 1892, Ref. No. 235-Govt.

I have the honour to state that there is a tiled building at Jekkari in the 2nd mile of the road from Royakota to Kelamangalam in the Hosūr taluk. It is used as a bungalow, for which it is very conveniently situated, by district officers and others who visit the place on account of the banyan tree which is an attraction—vide page 199 of the District Manual, vol. II. I understand that this building was built in the famine of 1877-78 and belongs to Government. The doors and windows in the building have been wrenched off their hinges and the Local Fund overseer reports that it requires repairs. As it is used as a bungalow, which it really is, I request that it may be transferred to the District Board. The necessary repairs will then be executed from Local Funds.

2. Copy of the resolution of the District Board expressing their willingness to take over the building under their control is herewith submitted.

ENCLOSURE.
