Enclosures. 1. Report with report.
1. Plan.

Sir,

I have the honor to forward for your approval & submission to Government for early sanction & allotment of the amount, an estimate amounting to Rs 7967, accompanied by plan & report, for constructing a new verandah north of the dining room in Tanakum Bungalow, Madurai, in place of the one in a very dangerous state. I have inspected the building. The work is going on and

absolutely necessary.

Under G.O. Nos. 1787 W. of 15th June 1924 & 2806 W. of 17th October 1922, the estimate & plan should not have been prepared by this department, until the necessity for the work proposed has been approved by Government and ordered by them in the P.W. Department for the preparation of the same but in the present case ^{during the dangerous state of the building} ~~it is not~~ ^{that} the estimate has been, as an exceptional case, prepared and the work has been put in hand by the Engr. Engineer, in anticipation of sanction, as you wished the house to be ready for His Excellency the Governor. In transmitting the estimate for sanction, I request that this letter may also be forwarded to Government, with your explanation.

I have the honor to be
Sir,

Your most obedt. Servant

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Collector of Madras dated 15th November 1892, No. 70:—

In continuation of my letter No. 61 of 11-10-92 and with reference to G.O. 773 of 29-10-92 I have the honor to forward letter No. 824 M.D. of 4-11-92 from the Superintending Engineer, VI Circle with an estimate and plan for Rs. 1967 for the construction of a verandah in the Tamkham bungalow.

2. As pointed out by the Superintending Engineer and as stated in para 4 of my letter quoted above, the walls supporting the verandah were in a very dangerous state. That portion of the building was therefore pulled down. It was found that the foundations of the building were rotten and dangerous. The present estimate is to render the building secure and to build up the verandah which is absolutely necessary.

3. I therefore request that Government may be pleased to sanction the estimate and ask the Syndicate of the Madras University to place the estimated amount at the disposal of the Public Works Department from the Johnston Carusallack Endowment fund.

Order of 2^d December 1892, No. 837.

The estimate amounting to Rs 1967 is approved and will be transferred to the Public Works Department.

2. The Syndicate of the University will be requested to place the necessary funds at the disposal of the Public Works Department.
