to the list  
of works  
for  
1893

See Maj

Note for the H.M.

In the draft orders on current nos. 11824 to 12317 it is proposed to withdraw a sum of Rs. 67,832. From this amount, the appropriations noted in the accompanying draft order are suggested.

The first 7 items, aggregating Rs. 20,033 represent demands held over for want of funds, and the remainder, new proposals now brought forward.

Items 8 to 14 are sanctioned works for which insufficient provision is made in the ensuing year's budget. The allotments proposed will enable materials to be collected.

Items 15 to 25 are new works which have been

Application for an allotment of funds under Provisional Major Original Works Civil Buildings for outlay  
 issued on 1st November 1892. Office during 1892-93

| 39280                                                            | 1794                       | 1794                    | 1794             | The Budget at the end of<br>Rs 6000 for the Council<br>of 1892 year having been<br>returned in G.O. No. 30184<br>dated 2 November 1892 &<br>the execution of the work<br>deferred the outlay incurred<br>would become substantial. Thus<br>the application for an allotment<br>of funds for acquisition of large<br>amounts to date of stoppage of<br>the work. |
|                                                                  |                            |                         |                  |                                                                                                                                                                                                                                                                                                                                                                 |

No. 5235.  
 Submitted to the Chief Engineer P.W.D. for favor of an allotment of  
 funds with reference to his Memo No. 4766 dated 16 instant

1st December 1892.

Superior Engineering Engineer's Office

W. H. Hughes

been sanctioned for  
 execution when funds  
 are available.

There will still  
 remain a balance of  
 Rs. 17799. which will probably  
 be required to meet a  
 demand from the V  
 Circle on account of  
 stores. This matter is  
 now under reference  
 to the Superintending  
 Engineer.

This draft provides for  
 for the balance of demand  
 on account of sanctioned  
 new Major works, i.e. all stand-  
 ing as provided for in the  
 1892-93 budget for a  
 year or in the order

19/11/92

There seems to be a difficulty in  
 finding work. If there is any  
 balance of money some might  
 be transferred with the sanction  
 of Fin Dept. to Mrs. Mary  
 when funds I think are wanted

Office of the Consulting Architect to Govt.,  
Chepauk, Madras,  
7<sup>th</sup> December 1892.

No. 2749

From  
Henry Irwin, Esq., C.I.C.,  
Consulting Architect  
to the Government of Madras,

To  
The Chief Engineer  
Public Works Department.

Sr,

Enclosures.

I have the honor to request that you  
will be good enough to provide with Rs 11,239 being  
the value of steam fire engine purchased for  
the protection of Public offices at Chepauk, under  
Provincial Tools & Plant. The charges have been  
debited only during the month of November 1892  
by the P. W. Stores Division and no provision  
for this has been made in the current year  
Budget Estimate.

I have the honour to be,  
Sr,  
Your most obedient servant,  
Henry Irwin  
Consulting Architect to Govt.

Public Works Department.
