From

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer
P. W. Department.

SIR,

Enclosures.

With reference to the
Notification in the Fort St.
George Gazette dated 12th
January 1892, Part I page 57
posting Major Smart. R.E.
to this Circle for duty
in connection with the
Lower Coleroon Project,
I have the honor to request
that his Head Quarters
may be fixed - Vide
Code para 277.

As I believe the Services
of Major Smart can only
be

be spared for this work for a
short-time I consider it
advisable that Macraes
should be his Head Quarters.

I have the honor to be

I do not quite see
the force of the reasons
given by the Sup^r Engr.
for fixing Major Smart
Head Quarters at Madras,
but as the former Officer
has the direction &
control of the work to
be done & he considers
Madras the best place
for Major Smart's
Head Q^r. I have no
objection to offer

Major Smart's special duty
has been found to be short

If Major Smart's special duty
continues for more than a month
or two he certainly ought to have
headquarters at Tanjore. In that
event, the matter should be again
brought to notice.
