READ—the following papers :—

From W. HUGHES, Esq., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepāk, 2nd December 1892, No. 507 W.

With reference to para. 4 of my letter No. 482 W., dated 15th November 1892, I have the honour to state that the northern portion of the barracks at Manjakuppam is in occupation since 11th November 1892 by the assistant accountant appointed to the South Arcot division under G.O., No. 2688 W., dated 28th September 1892, and I beg to forward, for approval, the data statement of rent to be charged.

2. The value of site entered is that obtained from the Collector.

3. The cost of repairs is 4 per cent. on cost of construction. This is owing apparently to the reason given in my letter above alluded to for the excessive cost of repairs in the case of the southern portion of the barracks, viz., that the building is old.
