PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Accountant-General, Madras dated 3rd September 1891 No. L.A.D.
216a forwarding report on the audit of the accounts of the Cuddapah Municipality for the year 1890-91.

From the same Office dated 3rd September 1891 No. L.A.D.
216b forwarding letter from the Assistant Inspector of Local Fund Accounts, to the Inspector of Local Fund Accounts, dated 24th August 1891 submitting Report on the special examination of the water-works accounts of the Cuddapah Municipality for 1890-91.

7. Vouchers. Vouchers in support of the expenditure up to the end of 1889-90 (the work having been in progress since 1887-88) were examined in the usual course of audit of the Municipal Accounts as a whole in previous years and those appertaining to 1890-91 have now been duly examined by me and they call for the following remarks.

Sd/-

Subsequent to the transfer of the Executive Engineer Mr. Johnston to Hurnool, the work vouchers were not subject to the scrutiny and check measurement of either the Chairman or any of the Councillors as in the case of ordinary work vouchers. For instance the final bill for the second reservoir was paid on the responsibility of the water works overseer. Neither the countersignature of the Executive Engineer in charge nor the proof of check measurement either by the Chairman or the Councillors was traceable.

8. Objectionable items. (a) The horse allowance of Rs. 25 sanctioned to the Executive Engineer Mr. Johnston for supervising the work while at Buddapah was drawn by him to the extent of Rs. 325 after he had left that District on transfer to Hurnool.

15 months

From the Chairman, Municipal Council, Buddapah dated 7 November 1891 No. 1135.

3. (i) Point 7. The Council is of opinion that subsequent to the transfer of Mr. Johnston, Executive Engineer who was in charge of the work, to Hurnool, the execution of work was taken charge of by the then Chairman, M. R. Ry. C. Raghava Rao Pantulu Garu entirely as reported in his letter No. 337 dated

Go 1987.66 +
21.7.90

20 May 1890 embodied in G. O. No. 980 M. dated 30 June 1890.

All the vouchers bear the payment order of that officer and it is presumed that he satisfied himself of the correctness of the bills before passing the payment order.

(ii) Point 8 cl. Mr. Johnston was entitled to the horse allowance even after he was transferred to Hurnool as the Council permitted him to continue in charge of the water works and he was paying periodical visits to the works once a month or so. If the Government consider that Mr. Johnston is not entitled to allowance after his transfer to Hurnool, they can pass such orders in the matter as they deem fit.

The horse allowance at Rs. 25 per mensem was sanctioned to Mr. Johnston in G. O. No. 136 M. dated 13 February 1888.

Order dated 16 December 1890 No. 2231 M. M. S.

Recorded with the following remarks:-

(1) Para 3(i) and (ii) of the Chairman's letter read above with the portion of the Audit report relating to the matter will be referred to the Public Works Department for remarks.

(2) The reports promised in para 3(iv) of the Chairman's letter should be expedited.

23) The sanction applied for in para 3(V) is accorded.

24) From the Auditor's special report the Government is glad to observe that the condition of the accounts relative to the water works contributions was not so bad as was anticipated from para 28 of the Chairman's letter printed in G.O. dated 14th September 1891 No. 1475 M.

With reference to the papers sent to
me with your endorsement No. 2722 of
25th December 1891, and now returned,
I have the honor to remark, in regard
to para 3 (i) and (ii) of the Chairman's
letter that even subsequent to my
transfer to Karnool if I recollect
rightly, vouchers used to be sent to
me for countersignature. At all events
I remained in charge of the work
and inspected it as often as I could
till near its completion. The final
bill must have been paid after I
had disconnected myself from the
water works.

2. On my transfer to Karnool, at the
request of the Council and with the
sanction of the Chief Engineer filed
in the Cuddapah Divisional office
I think, I continued in charge of the
water works till near its completion
and till my services were no longer
required.
