GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From J. C. JOHNSTON, Esq., Executive Engineer, Kurnool Division, to the Superintending Engineer, III Circle, dated 18th November 1892, No. 70.

With reference to your No. 23 C., dated 30th September 1892, I have the honour to inform you that sanction in G.O., No. 594 W., dated 23rd February 1892, therein alluded to, was obtained at a very early stage of the famine, but during its course it was found necessary further to strengthen the divisional, sub-divisional and detached officers' establishment.

2. As regards the divisional office, the sanction given for a temporary draftsman in G.O., No. 180 W., dated 18th January 1892, has not been exceeded, but, in the case of clerks, only two on Rs. 20 were sanctioned in G.O., No. 594 W., dated 23rd February 1892. Eight clerks on Rs. 20 and one on Rs. 15 were employed for periods varying from 11 to 3 months, and, in the latter part, the number on Rs. 20 was decreased by two and substituted by one on Rs. 30, another on Rs. 45, in consideration of the nature of work to be done.

On application to the Examiner a clerk or an assistant accountant on Rs. 60 was sanctioned in G.O., No. 1432 W., dated 7th May 1892, until the famine pressure was over. This need not be included in the proposition statement now submitted (*vide* para. 5), as the sanction will last until the famine accounts are finally closed.

3. The augmentation of the sub-divisional establishment was sanctioned in G.O., No. 935 W., dated 21st March 1892, and No. 1665, dated 1st June 1892. The establishment employed in the two offices therein mentioned, viz., Mr. Wood in head-quarter sub-division and Mr. Smith in Cumbum sub-division, were well within their respective sanctions, but, in the Nandyal sub-division, a clerk on Rs. 40 was engaged when famine works in progress and this requires sanction.

4. Turning to detached officers, I already stated in various letters (*vide* margin) that the subordinates in charge of famine works were allowed two clerks under Famine Code, section 143, and an extra lascar. Of the two clerks, one was on Rs. 15 and this does not require sanction in any proposition statement as it is allowed under

Proposition statement, with letter No. 500,
dated 2nd February 1892.
Letter No. 18, dated 14th April 1892.

Madras Code, para. 185. The number of subordinates employed on famine works was 18, but they were not all employed from beginning to end; some arrived some time after the starting of the works. The number of additional clerks on Rs. 20 sanctioned for these in G.O., No. 594 W., dated 23rd February 1892, was four, but 18 clerks corresponding to the number of subordinates were engaged for periods varying from 7 to 1 month and 16 lascars were also engaged from 8 to 1 month.

5. I have, therefore, the honour to submit revised proposition statement to include the following items, viz. :—

- (a) Additional clerks employed in the divisional office (*vide* para. 2).
- (b) Clerks on Rs. 40 in the Nandyal sub-divisional office (*vide* para. 3).
- (c) Additional clerks and lascars employed under detached officers (*vide* para. 4).

Items (b) and (c) have already been dispensed with on the close of the famine.

As regards item (a) the four clerks engaged in the correspondence branch are proposed to be retained until the end of November to complete sorting of the famine records and to cope with the work.

Five clerks engaged in the accounts branch are also proposed to be retained in full till the end of November for completion of accounts and two until the end of December for final completion of accounts, sorting of vouchers and assisting in the preparation of famine administration report, &c.

6. Under these circumstances, I have the honour to request that you will be good enough to obtain the sanction of Government to the proposition statement herewith submitted, which will cover fully the office and petty establishment employed on account of famine.

With reference to your No. 23C dated
30th September 1892 I have the honor to inform
you that sanction in G. O. No. 594 W dated
23rd February 1892 therein alluded to, was
obtained at a very early stage of the famine
but during its course it was found ne-
-cessary, further to strengthen the Divisional
Sub-Divisional and detached officers
Establishment.

2. As regards the Divisional Office the
Sanction given for a Temporary Draftsman
in G. O. No. 180 W dated 18th January 1892
has not been exceeded, but in the case of
clerks only 2 on Rupees 20/ were sanctioned
in G. O. No. 594 W dated 23rd February 1892.
8 Clerks on Rs 20/ and one on Rs 15/ were
employed for periods varying from 11 to
3 months and in the latter part the number
on Rs 20- was decreased by 2 and

Subst dated

substituted by one on Rs 30/ another on Rs 45/- in consideration of the nature of work to be done.

An application to the Examiner a clerk or an Assistant accountant on Rs 60/- was sanctioned in G. O. No. 1432 W dated 1st May 1892 until the famine pressure was over. This need not be included in the proposition statement now submitted (vide Para 5) as the sanction will last until the famine accounts are finally closed.

(3) The augmentation of the Sub-Divisional Establishment was sanctioned in G. O. Nos. 935 W and 1065 W dated 21-3-92 and 1-6-92. The Establishment employed in the two offices therein mentioned viz: Mr. Wood in Head quarter Sub-Division and Mr. Smith in Cambam Sub-Division were well within their respective Sanctions, but in the Nandial Sub-Division a Clerk on Rs 40/- was engaged when famine works in progress and this requires sanction.

4. Turning to detached officers I already stated

stated in various letters vide margin - that the Subordinates in charge of Famine works were allowed 2 clerks under Famine

Code Section 143 and an extra Lascar.

Of the 2 clerks one was on Rs 15/- and this does not require sanction in any proposition

Statement as it is allowed under Madras Code Para 185. The number of Subordinates employed on Famine works was 18 but they were not all employed from beginning to end, some arrived sometime after the starting of the works. The number of additional clerks on Rs 20/- sanctioned for these in G. O. No. 594 W dated 23rd Feb 1892 was 4 but 18 clerks corresponding to the no. of Subordinates were engaged for periods varying from 7 to 1 month and 16 Lascars were also engaged from 8 to 1 month.

5. I have therefore the honor to submit Revised proposition Statement to include the following items viz:

(a) Additional Clerks employed in the Divisional Office vide Para 2.

(b) Clerks on Rupees 40/- in the Nandial Sub

Sub. Divisional Office vide Para 3.
4. Additional clerks and Lascars
employed under detached officers
vide Para 4.

Items b and c have already been
dispensed with on the close of the Famine.
As regards item (a) the 4 clerks engaged
in the Correspondence branch are pro-
posed to be retained until the end of
November to complete sorting of the
Famine Records and to cope with the
work.

5. Clerks engaged in the accounts branch
are also proposed to be retained in full
till the end of November for completion
of accounts and 2 until the end of Decr.
for final completion of accounts sorting
of vouchers and assisting in the preparation
of famine administration reports &c.

6. Under these circumstances I have the honor
to request that you will be good enough to
obtain the sanction of Government to the
proposition statement herewith submitted
which will cover fully the office and petty
establishment.
