GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

Read—the following papers:—

From H. IRWIN, Esq., C.I.E., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepâk, 2nd December 1891, No. 3272.

I have the honour to forward the marginally-noted correspondence that passed between this office and the Principal, College of Engineering, regarding the occupation of certain Government buildings free of rent by the teachers of the College of Engineering, and request the favour of very early orders of Government on this subject.

Letter No. 1845, dated 5th August 1891, to the Principal, College of Engineering.
Letter No. 295 C., dated 29th August 1891, from the Principal, College of Engineering.
Letter No. 2485, dated 28th September 1891, to the Principal, College of Engineering.
Letter No. 3089, dated 16th November 1891, to the Principal, College of Engineering.
Letter No. 205 M., dated 19th November 1891, from the Principal, College of Engineering.

2. As a matter of fact I may say that the quarters in question have long been occupied free by some of the teachers of the college, but there appears to be no definite sanction under which they are allowed to do so. Their names or official designation have not also been included in the list of Government officials who are granted free quarters published with G.O., No. 1764 W., dated 30th June 1891.

3. I beg to request that I may be allowed to defer the recovery of rent pending the final settlement of the above quarters.

Enclosures.

From the Consulting Architect to Government, to the Principal, College of Engineering, dated 5th August 1891, No. 1845.

I have the honour to request that you will be good enough to inform me, at an early date, the sanction of Government or any other authority under which the marginally-noted Government buildings have been occupied by the persons noted against each. I shall be much obliged if you will kindly send me copy or copies of such sanctions for record in my office. The above information is required for completing the return of buildings rented and available for rent.

(1) Lower storey, south, and room with kitchen and stables of the College of Engineering—Mr. Cames, Master, College of Engineering.
(2) College of Engineering, lower storey, east, sick rooms—Military students.
(3) Quarters for married military students and teachers of Civil Engineering College—By military students and teachers of Civil Engineering College.

From Major A. W. SMART, R.E., Principal, College of Engineering, to the Consulting Architect to Government, dated 29th August 1891, No. 295 C.

With reference to your No. 1845, dated 5th August 1891, I have the honour to state that the following Government Orders may throw some light on the question of the authority under which the occupancy of buildings mentioned by you was sanctioned :—

G.O., Educational, No. 195, dated 15th June 1867.
" Public Works Department, No. 2948, dated 23rd Sept. 1867.

" " " 1941-A. " 14th Aug. "

From the Consulting Architect to Government, to the Principal, College of Engineering, Madras, dated 28th September 1891, No. 2485.

With reference to your letter No. 295 C., dated 29th August 1891, I have the honour to state that there is nothing in the Government Order quoted by you regarding the occupation of the buildings in question free of rent. I shall be glad to know if there are any other orders under which the teachers of the college are authorized to occupy the buildings constructed for the occupation of the military married students. This information is urgently required by me in order to complete the return of public buildings rented and available for rent.

From the Consulting Architect to Government, to the Principal, College of Engineering, dated 16th November 1891, No. 3089.

I have the honour to invite your attention to this office letter No. 2485, dated 28th September 1891, and to subsequent reminders thereto, and to request the favour of a definite reply before the end of this week. In the absence of definite orders of Government for the occupation of the buildings in question free of rent by the teachers of the College of Engineering, necessary instructions have been issued by me to the Provincial Accountant-General for the recovery of rent under Public Works Department Code, para. 1041.

From Major A. W. SMART, R.E., Principal, College of Engineering, to the Consulting Architect to Government, dated 19th November 1891, No. 205 M.

In reply to your No. 3089, dated 16th instant, I have the honour to point out that in my letter No. 295 C., dated 29th August, I quoted the orders constituting the quarters in question purely *military* quarters, and to regret that I am unable to give an opinion regarding rent under Public Works Department Code, para. 1041. Perhaps the matter may be settled by a reference to the military authorities who may possibly be able to give information which we do not possess here.

No. 5533 C.

Referred to the Educational Department for favour of information whether the terms of appointment of teachers in the College of Engineering include the provision of free quarters.

2. There can be no question as regards the military students, who, as soldiers, must be provided with barrack accommodation.

(Signed) J. PENNYCUICK, Colonel, R.E.,
Secretary to Govt., P.W.D.

15th December 1891.

From Major A. W. SMART, R.E., Principal, College of Engineering, Madras, to the Director of Public Instruction, dated 16th January 1892, No. 946 C.

With reference to your No. 290 of 8th January 1892, I have the honour to state that the quarters attached and belonging to the college are purely military quarters and intended for the exclusive use of the military students. Instructors are, however, allowed to occupy any that may be vacant free of rent, provided that they vacate at once if the accommodation should be required by any in-coming students. If there were the full number of military students allowed by the college rules, viz., 20, the quarters would be fully occupied by them and there would be no accommodation available for the instructors.

The instructors are not entitled to quarters, but when such are vacant it is better that they should be occupied by the instructors rather than temporarily closed, and considering that they may be called upon to vacate at any moment, I consider that no rent should be charged.
