Endorsement of the Collector of Pudukottai dated
12. November 1891 No. 8011.—

Submitted to the Secretary to the Commission of
Salt Abkari and Separate Revenue for favor of sanction and
allotment. The building must be maintained and the repairs
ought to be done thoroughly.

Read also the following reference thereon dated 21.
November 1891 to the Collector of Pudukottai.

The repairs appear to be intended for the portion
of the buildings rented to Messrs. Maiden & Co. The Collector is
requested to state whether the rent is credited to Customs. If
it is credited to Customs, the Estimate will have to be submitted
with his countersignature. If it is not credited to Customs
the Board in this Department has nothing to do with the
