No. 2355.W.

PRESIDENCY P. W. WORKSHOPS,

Madras, 9th January 1892.

From

L. L. Wickham Esquire
GENERAL SUPERINTENDENT,
PUBLIC WORKS WORKSHOPS,

To

THE Examiner of
Public Works Accounts
Madras.

SIR,

With reference to para 2 of your Miscellaneous Objectionable Item Letter on Accounts for the month of October 1891, I have the honor to state, that the instructions contained in G.O. No. 2892 N, dated 29th October 1891, are apparently applicable to a Sub Division Workshop, and not to this Workshop, which is a self-supporting one. I request, therefore, that you will kindly let me know, whether you still consider that the rate of percentages now charged, should be revised.

2

If, however, it is decided that the percentages should be charged as laid down in the G.O. quoted above, I think it would be well to do so, commencing with the Accounts for January 1892, as the revision of percentage charges already made from April 1891, will entail much time and trouble both to this and other Offices concerned.

The

3

The 25 percent is now charged for
work done for private parties, and is supposed to
be prohibitive. Is it therefore intended that this
Workshop should not take up work for Imperial
Irrigation

I have the honor to be
Sir

Your most obedient servant

L. L. McKean
Genl. Supt. P. M. Workshops

Subject.

Please see the enclosed letter in original from the General Superintendent P.W.Workshops No.2355 W.dated 9th. January 1892. There appears to be no doubt that G.O.No.2892 W.dated 29th.October 1891 does apply to the P.W. Workshops, but there is much force in the General Superintendent's representation that a revision of the centage charges already made will involve much time and trouble in all the offices concerned. I therefore Government approve, the orders will be enforced only from 1st. January 1892.

36/4

FOR ORDERS.

The correspondence
terminating with G.O.
No. 2892 W of 29th October
1891 had reference only
to pub. divisional work-
shops, and the whole
discussion arose ^{out} of the
question what allowance
should be made for
the fact that the
capital expenditure
for those shops was
originally provided
from Irrigation funds;
this question does not
arise in the case of the
Presidency shops which
are purely provincial,
and there seems no
occasion for disturbing
the existing practice
in regard to them.
