5TH FEBRUARY 1892, No. 362 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following paper:—

From G. H. D. WALKER, Esq., Under-Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Calcutta, 23rd January 1892, No. 227 G.

I am directed to acknowledge the receipt of your No. 3435 W., dated 19th December 1891, in which you point out that, in your letter No. 1830 W. of the 6th July, you requested that increased daily allowances, under article 1168 (b), Civil Service Regulations, might be granted to menial servants attached not only to the Coimbatore but also to the West Coast and Bellary divisions, and also that it was desired to extend this concession to such servants not only in certain tracts of the Coimbatore division specified in article 1252, Civil Service Regulations, but to the division generally.

2. In reply, I am directed to point out that the proposal was, judging from the enclosures of your letter, based on a reference by the Executive Engineer, Coimbatore division, which was supported by the Superintending Engineer, on the ground that the Coimbatore division included tracts for which a higher rate of travelling allowance had been conceded to superior officers. It appeared, therefore, a sufficient reply to this to point out that a higher allowance in these specified tracts was permissible under the rules to inferior as well as superior servants, and it was, at the same time, stated that the case of the Coimbatore division, on the ground alleged, could alone have been considered by the Government of India, the meaning being that the Government of India could not entertain the proposal to apply article 1168 (b) to the inferior servants attached to any of the divisions named.

3. In reply to your further communication on the subject, I am directed to say that the Government of India still holds the same opinion and I am to add that no similar proposal for the extension of article 1168 (b) from Inspecting or Controlling officers to Executive Engineers of divisions has been hitherto seriously advanced, although in other provinces, such as, *e.g.*, the North-Western Provinces and Oudh, the executive divisions cover whole revenue divisions, comprising each a number of districts.

ORDER—dated 5th February 1892, No. 362 W., Public Works.

Communicated to the officers concerned, for information and guidance, with reference to G.O., No. 1829 W., dated 6th July 1891.

FOR ORDERS.

Whether this decision
is to be accepted as a final
reply to the proposals laid
before the Government of
India.

In Mr. Lammie's
Endorsement No 3936 dated
25th June 1891 it is said that
"Revenue peons serving under
Assistant Collectors to draw
two annas while on tour".
The peons of an Executive
Engineer travelling over more
than one district would seem
to have as good a claim to the
increased allowance.

Sir,

I am directed to acknowledge the receipt of your No. 3435W dated 19th December 1891, in which you point out that in your letter No. 1830W of the 6th July you requested that increased daily allowances, under Article 1168(b) Civil Service Regulations, might be granted to menial servants attached not only to the Coimbatore but also to the West Coast, and Bellary Divisions; and also that it was desired to extend this concession to such servants not only in certain tracts of the Coimbatore Division specified in

in Article 1252, Civil Service Regulations, but to the Division generally.

2. In reply I am directed to point out that the proposal was, judging from the enclosures of your letter, based on a reference by the Executive Engineer, Coimbatore Division, which was supported by the Superintending Engineer on the ground that the Coimbatore Division included tracts for which a higher rate of travelling allowance had been conceded to superior Officers. It appeared therefore a sufficient reply to this to point out that a higher allowance in these specified tracts was permissible under the rules to inferior as well as superior servants; and it was, at the same time, stated that the case of the Coimbatore Division, on the ground alleged, could alone have been considered by the Government of India, the meaning being that the Government of India could not entertain the proposal to apply article 1168(b) to the inferior servants attached to any

The proposal originated with this reference but the proposal itself went beyond the reference

In reply to your further communication on the subject, I am directed to say that the Government of India still holds the same opinion, and I am to add that no similar proposal for the extension of Article 1168(b) from Inspecting or Controlling Officers to Executive Engineers of Divisions has been hitherto seriously advanced, although in other Provinces, such as e.g. the North Western Provinces and Oudh, the Executive Divisions cover whole Revenue Divisions comprising each a number of Districts.

I have the honour to be,
Sir
