Letter No. 34

Kistna District Collector's
Office Masulipatam

14th January 1882.

FROM,

A. J. Arundel Esquire,
Collector,

Kistna District.

TO,

THE Secretary to the Commissioners
of Land Revenue
Madras

SIR,

I have the honor to beg the Board to
take steps once more to procure the issue
being lithographed of the new type designs for Taluk Catchments.
For more than a year, numerous works of
great importance have been arrested in
this district for want of these plans. For
some months past, the delay has been
due simply to the need for providing for
the disposal of iron safes in the Treasury
room. In compliance with my demi-
official request, Government has permitted
collection of materials for certain works
on the estimates pending the arrival
of the plans but the Engineers are

now at a standstill again. I am of course ignorant of the demands on the time of the Government architect and whether or not greater promptitude may not be expected of him in a matter of so much public importance.

I have the honor to be,
Sir,
Your most obedient servant,

W. A. Munro
Collector

C No. 1109

For orders

The delay has latterly been in the Revenue Survey office, and not that of the Consulting Architect as supposed by the Collector, Kistna. It will be seen from the papers in the file that the "proof" of the Taluk Catchment design, among others, was passed so far back as the 10th Decr: 91. Order No. 5589 C d/10-12-91. I saw their efforts have been made to get the designs out, but these have not been successful. An urgent reminder - No. 98 C d/6.1.92 - has also been without effect.
