GOVERNMENT OF MADRAS.
MILITARY DEPARTMENT.

Pay and Allowances.

Read the following papers :—

No. 362. *From T. W. RAWLINS, Esq., Accountant-General, to Brigdr.-Genl. A. KENNEY-HERBERT, Secretary to Government, Military Department; dated Fort St. George, 24th April 1891, No. 1256.*

I have the honour to inquire to what salary an officer of the Royal Engineers in Civil employ appointed to the Indian class at the School of Military Engineering, Chatham, is entitled for the period intervening between the date he is struck off duty and his embarkation from India, and what department should bear the charge.

2. I make this reference in connection with Captain H. D. Love, Principal of the College of Engineering, Madras, who was permitted to go through the Chatham course. In his letter, dated 16th March 1891, Captain Love states that for the above period he was paid by the Presidency Paymaster, Bombay, at the rate of Rs. 433-10-0 per mensem, being the Military pay of his rank as Captain, but he urges that he is entitled also to the Staff allowance of Rs. 600 attached to his appointment, in the same way as Major Baddley, R.E., Executive Engineer, First Grade, Public Works Department, who also proceeds to Chatham, was paid full pay for the above period by the Public Works Department.

3. A reference was made to the Adjutant-General and Examiner of Public Works Accounts. The former suggests a reference to Government, as no provision was made on the subject in Clause 29, India Army Circular, 1891. The latter refers me to Madras Public Works Code, Appendix O, Article VII, Note I, as amended by Standing Orders Nos. 1208, 1252 and 1369, respectively, which furnishes the information in respect of Royal Engineer Officers serving in the Public Works Department, but adds that he is not aware of any general orders or rulings which would necessarily apply to Royal Engineer Officers in other Civil departments.

4. Copies of letters from Captain Love, the Adjutant-General of the Army, and the Examiner of Public Works Accounts, Madras, are herewith forwarded.

No. 363. *With report from Controller of Military Accounts; dated 8th June 1891, No. 366-G.*

No. 364. *To the Secretary to the Government of India, Military Department; dated 17th June 1891, No. 3385.*

No. 365. *From J. P. HEWETT, Esq., C.I.E., Deputy Secretary to the Government of India, Home Department (Public), to the Chief Secretary to the Government of Madras; dated Calcutta, 12th December 1891, No. 29-1958.*

With reference to the communication * from the Government of Madras in the Military Department, No. 3385, dated

* Addressed to the Government of India in the Military Department. 17th June 1891, I am directed to say that the Government of India have decided that the Civil department of the

Madras Government should accept the charge of the Indian pay and allowances of his rank, from the date of relief from his Civil duties to the date of embarkation, of Captain H. D. Love, R.E., Principal of the College of Engineering, Madras, who was permitted to proceed to Chatham for a course of instruction. The Civil department should also bear the charge of Captain Love's Indian pay and allowances on his return from England from the date of debarkation to the date of his resuming charge of his civil duties.

2. The above ruling applies to all Royal Engineer Officers in Civil employ who proceed to join the Chatham class. Their pay and allowances from the date of their giving over charge to the date of embarkation for England, and on their return, from the date of debarkation to the date of their resuming charge of their duties, should be borne by the Civil department in which they are employed.

No. 366. ORDER THEREON, 22nd December 1891, No. 7350.

The decision of the Government of India communicated to the Accountant-General and departments concerned.

(True Extract.)

Brigdr.-Genl.,
Secretary to Government.
