Proceedings of the Board of Revenue (Land Revenue), dated 18th January 1892,
Mis. No. 368.

MR. E. GIBSON.

Read—the following paper :—

From R. SEWELL, Esq., Collector of Bellary, dated 31st December 1891, Ref.
No. 2.

The Board in its Proceedings, Mis. No. 1343, dated 3rd March 1891, recommended the sale, by public auction, of the old Deputy Tahsildar's cutcherry at Kampli and it was approved of in G.O., No. 4094, dated 18th July 1891, embodied in Board's Proceedings, Mis. No. 5592, dated 6th August 1891.

2. The Superintendent of Police now applies to me for the building to locate his police there and states that there is no building thereabout in the middle of the town so well suited for a police station. Location of a police station in the heart of the town I consider very essential, especially in a town like Kampli, where the people have proved themselves turbulent and factious. I have the honour, therefore, to recommend the transfer of the whole building to the Police Department after the removal, pending transfer of the whole establishment to Hospet, of the Deputy Tahsildar to the new building which is expected to be completed in February 1892, as reported by the Executive Engineer in his letter No. 4600, dated 19th December 1891.

Resolution—dated 18th January 1892, Mis. No. 368.

Submitted to Government with reference to para. 3 of G.O., dated 18th July 1891, No. 4094.

2. For the reasons stated by the Collector, the Board supports his proposal that the old Deputy Tahsildar's cutcherry at Kampli be transferred to the Police Department.
