This 20000 Rs shouldn't I think be granted. The outlay to 31 Decr is only 139000 So far from giving more money for the work this year I would tell the S.E. to pull up & make a saving on the 200000 Grant. No explanation is given as to the reason for further funds.
I would also ask for explanation why the 6700 Rs for items 1.2.3 are wanted.

1. Constructing 14 Police huts at Cochin — Rs. 2000

It is desirable that a saving should, if possible, be effected on the current year's allotment of Rs 2,00,000 for the Vayitri-Gudalur road, the expenditure against which, up to December 1891, has only reached Rs. 1,39,144. The Suptg Engr will report whether this cannot be done.
