No. 1159.T.N.

OFFICE OF THE SUPERINTENDING ENGINEER,

6TH CIRCLE.

Trichinopoly, 14th February 1892
Des: 5th

From Lt. Col. A. B. Smith, R.E.
The Superintending Engineer,

6TH CIRCLE.

To

The Chief Engineer,

PUBLIC WORKS DEPARTMENT.

SIR,

ENCLOSURES.

With reference to G.O. No. 252.W.
dated 28th January 1892, I have the honor
to inform you, that a cyclostyle was
purchased by the Executive Engineer,
Sinnervelly Division, on an estimate
being sanctioned by this office, in
October 1890, or prior to the date of
the above G.O. The necessary paper
and ink required for the purpose
were locally purchased by the Executive
Engineer in December 1891 for Rs 13-12-
and charged in his contingent bill
for that month; apparently through
a misapprehension of the Code rule,
para 842. The Examiner of P.W. Accounts
has disallowed the outlay pending
sanction of Government.

2. Under the circumstances I request
that the necessary sanction may be
obtained to enable the Examiner to
admit the claim.

I have the honor to be,
Sir,
your most obed^t serv^t.

A Smith Lt Col. R. B.
Capt. Engineer, St. Louis.
