12TH FEBRUARY 1892, No. 432 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Potinghi, 22nd January 1892, No. 1831 G.D.

I have the honour to submit, herewith, copy of a letter No. 1469, dated the 24th December 1891, received from the Superintendent of Police, Godáviri district, and to request that the two works therein named may be included in the next year's Provincial budget and funds allotted if possible. The amount of the estimate for each of the two works will be about Rs. 2,150 and the Executive Engineer, Godáviri Eastern division, has been requested to submit regular estimates for them.

ENCLOSURE.

From H. W. LUSHINGTON, Esq., Superintendent of Police, Godáviri District, to the Superintending Engineer, I Circle, dated Rajahmundry, 24th December 1891, No. 1469.

I have the honour to state that, as the buildings now used as police stations at Pithápuram and Táni, are in a dilapidated state and require considerable amount of repairs, it is considered advisable by the Inspector-General of Police to have them knocked down and second-class station houses, according to the standard design, built in their place. I therefore request that you will be good enough to have the two works included in D.P.W. budget for 1892-93.

ORDER—dated 12th February 1892, No. 432 W., Public Works.

The works in question are brought forward too late for inclusion in the Provincial budget for 1892-93, which has already been decided on in detail; but an application for funds may be made after the estimates have been duly sanctioned and the demand will be considered in connection with allotments from the reserve for the incomplete works of the current official year.
